List of expenses

In the list of expenses you will find the most important pillars of registration:

- **Ref .:** Numeric code that identifies spending.
- **Company:** Where there has been company spending
- **Date:** Date on which the expenditure was performed
- **Base (*):** Monetary amount before taxes.
- **Total (*):** Total amount of expenditure.
- **Liq.:** Determines whether the expense is paid. **The unsettled expenses are marked with red background.**
- **Date liq .:** Settlement date of expenditure.
- **NV:** Number of maturities introduced for this expenditure.
- **Account:** Account where this expenditure is counted.

(*) At the end of listing the sum of these columns is included, note that the result only includes the visible columns per page.

Remember: The events can be arranged by dragging them to the user folder you want.

Listing Options

On each record. You can perform a series of actions that are represented by the following icons:

-   : Check / Edit / Delete Record.
- : This action will lead to the creation of a new record using data selected.

This list also features the following:

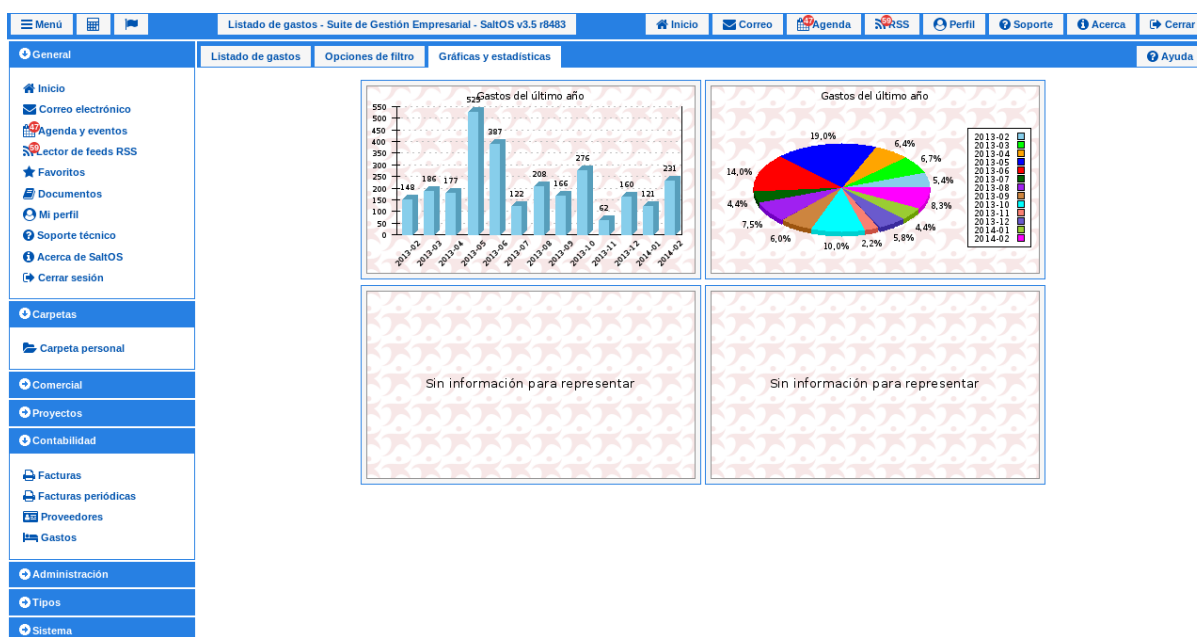

- : Export the list of all expenses to a file in Excel format.
- : Liquid selected expenses indicating the date hereof.

Filter Options
